

## COVID19 Policy Change Addendum 5-5-2021

Due to a recent update from Ramsey County we are now allowed to permit spectators for practices at Pleasant Arena.

Effective immediately a maximum of 9 chaperones will be allowed to sit in the 9 spots marked with blue tape in the bleachers. If you walk in and there are 9 people taking the nine spots, we ask that you exit the facility and wait in your car for someone to leave. This new process will be on the honor system and if there are problems with too many spectators or spectators not sitting in designated marked spots we will have to reevaluate this update.

We ask that chaperones not use the restrooms during the ice resurfaces as this is the only time that coaches and skaters are able to use them.

Thank you and we look forward to seeing you in the rink again soon.
